Meet the Rockville Staff

Rylee Lutz – Administrator

Rylee is originally from Wisconsin and graduated from the University of Wisconsin – Eau Claire’s Health Care Administration program, which has a strong focus on nursing home administration. Rylee moved to Indiana a little over two years ago to pursue a career opportunity. She recently joined the Rockville team because she enjoys the feel of the smaller, homelike community. She currently lives in Greencastle, IN with her fiancé, two puppies and their cat.

Julia Weber – Social Services & Admissions

Julia graduated from the University of Maryland with a Bachelors in Sociology and Social Psychology, and later received her Masters in Social Work with a concentration in Gerontology from Aurora University. Julia is originally from Naperville, Illinois, and moved to Indiana in 2012 with her husband Jake, who teaches geometry and is the head football coach at Riverton Parke High School.

Amy La Fata – Director of Nursing

Amy graduated from Ivy Tech Community College in 1994 as a Licensed Practical Nurse. In 2004 she graduated from Indiana University with an associate degree in nursing. Last August Amy earned her Bachelor’s degree from IU. She is very compassionate about caring for the geriatric population and has spent most of her nursing career doing so. Amy lives in Pittsboro, IN with her husband, 14 year old golden retriever, and two cats.

David Dinn – Director of Rehabilitation

David graduated from Indiana University with a Bachelor’s degree in Physical Therapy in 1996. After practicing in private practice orthopedics and in the hospital-based setting, he returned to school and received his Master of Science degree in Communication in 2004. In 2005 he was designated by the American Board of Physical Therapy Specialities as an Orthopaedic Certified Specialist. David recently completed a 96 hour independent study course entitled Current Concepts in Orthopaedic Physical Therapy to assist with preparation for completion of his examination in March to maintain his certification. David loves to work with the elderly and particularly enjoys helping patients return home and lead more functional, higher quality lives.
